Data-Informed School Improvement

SOLUTIONS AT A GLANCE

Boost Achievement for Every Learner!

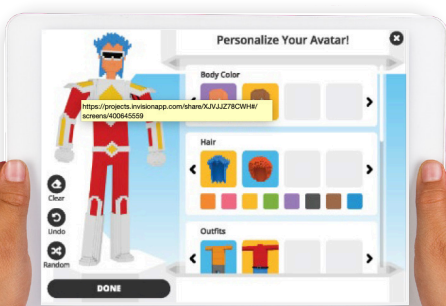

Meet the goals of your school improvement plan with solutions that:

- Support students at **all skill levels**
- **Engage every learner** with content that supplements your core instruction
- Provide **targeted instruction** for students in need of additional intervention
- Incorporate **social-emotional learning**

Meet Amira—The Teacher's Reading Assistant. Now available in English and Spanish!

Waggle's personalized avatars make learning fun.

ASSESSMENT & SUPPLEMENTAL

Grades K–12

Adaptive Benchmark Assessment for Math and ELA

Connect data insights with best-in-class core, supplemental, and intervention programs through adaptive and reliable assessment.

Grades K–5

Assessment, Dyslexia Screening, and 1:1 Tutoring

Utilize artificial intelligence (AI) to accurately assess oral reading fluency, screen students who are at risk for dyslexia, and provide 1:1 tutoring. Available en español.

Grades K–8

Personalized Practice and Instruction for Math and ELA

Provide personalized practice and instruction to support skills-diversity in the classroom and promote a growth mindset in all students. Available en español for Grades 3–8.

Grades 3–12

Scaffolded Writing Practice

Connect any style of writing instruction to a cycle of authentic feedback and revision to build more independent, reflective writers.

HMH Assessment Overview For International Teachers

Less Testing. More Insight.

Explore assessment and reporting that inform daily instruction to drive student achievement.

INTENSIVE INTERVENTION

Grades 4–12
COMING 2023

Comprehensive Reading Intervention

Accelerate students reading two or more years below grade level to grade-level proficiency.

Math 180®

Grades 5–12

Math Intervention for Algebra Readiness

Build students' confidence and competence to accelerate their progress to algebra.

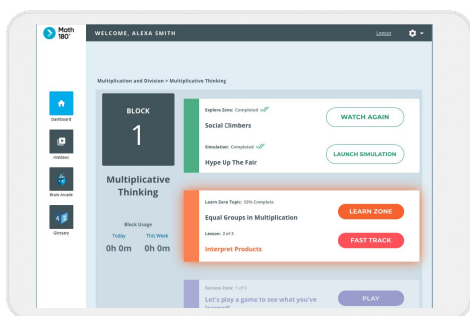

English 3D®

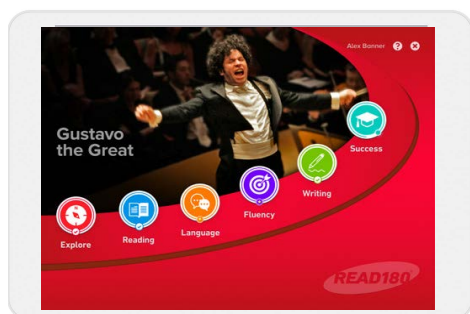

Grades 4–12

English Language Development

Expedite language acquisition for academic language learners and long-term multilingual learners.

Math 180 prepares students for algebra readiness and addresses the needs of striving students

Read180 is configured to support all learners – from phonics to fluency to grade-level proficiency.

CLASSROOM LIBRARIES

Grades K–3

Comprehensive Literacy

Systematically build students' decoding, comprehension, and critical-thinking skills with these texts and tools from Rigby®.

Grades K–4

Small Group/Independent Reading

Help students to build key literacy and character skills through fictional leveled text about playful heroes who make good choices..

Grades K–5

Small Group/Independent Reading

Enhance small-group instruction and independent reading with precisely leveled libraries.

A wide variety of fiction and nonfiction titles improves students' background knowledge while allowing teachers to seamlessly integrate literacy into their core instruction.

Available to US Curriculum Schools only.

Professional Learning

Unlimited Access, Unlimited Choice, Unlimited Benefits: Professional Development for Teachers and Leaders

From collaborative problem-solving to implementation support, HMH Professional Services partners with school leaders to create meaningful professional learning experiences that foster long-term, sustainable growth.

HMH programs now include Teacher Success Pathways that help new and veteran educators learn at their own pace and on their schedule. Plus, you can access live online events, scaffolded resources, and classroom videos all year long in Teacher's Corner®

Guided Implementation Support

Our programs include continuous implementation support with guided learning pathways to ensure teacher success within the first 30 days, as well as on-demand resources in Teacher's Corner™ all year.

Family Room

HMH Family Room is an ever-growing library of on-demand resources in English and Spanish that provides families and caregivers the tools they need to support their child's learning.

Teacher's Corner

Teacher's Corner provides model-lesson videos, teacher tips, and interactive support—on your schedule. At free live events, work with fellow educators to address today's instructional challenges

Leader's Corner

Administrators can access on-demand resources, leader-specific live events, resources for PLCs, and downloadable templates for classroom observations
