# LEADING WITH VISION

## Creating Next Generation Learning Environments

The Leadership Academy is an opportunity to strengthen your leadership team's capabilities and dig deeper into critical areas that have the power—when plans are implemented strategically—to transform your school or district.

This year's event will focus on developing leadership skills and capacity through the tenets of equity, evidence, and efficacy. Content will be focused around four strategic themes:

Creating a Thriving Learning Community

Closing the Gaps in Achievement & Opportunity

Applying Digital Strategies with Purpose

Increasing Achievement through a Balanced Literacy Approach

# What You Can Expect

## Inspiring and Insightful Speakers

Presentations by nationally renowned thought leaders and practitioners will challenge you and your team to think critically about your culture and current instructional practices.

## Strategic Themes and Sessions

Content is designed to drill down into critical areas that have the highest impact for effecting positive change.

## Powerful Networking

Connect with hundreds of passionate leaders and engage in invigorating conversations to bolster your knowledge and learning.

## Impactful Collaboration

During designated action planning times, you and your team will identify your vision and shared goals. You'll work with thought leaders and expert practitioners to create an engagement strategy and action plan so you'll be ready to move forward when you return home.

## Who Should Attend?

The Leadership Academy is most impactful when teams from a school or district attend together.

- District leaders: Superintendents, Assistant Superintendents, Curriculum and Instructional Directors, Special Education Directors
- Current and aspiring Principals/Assistant Principals
- Instructional leaders and coaches
- Teacher leaders
